

**We dream a world (all)**

A rainbow world

A world where everyone is equal

A world where everyone is loved

**We dream a world (all)**

A rainbow world

A world where people are not labeled

A world where all are welcome

**We dream a world (all)**

**A rainbow world**

A world where everyone is fed and warm and loved

A world where people can speak their mind without  
fear of being hurt

**We dream a world (all)**

A rainbow world

A world where people can disagree and still respect their fellow human beings

A world where people are kind and considerate to all

**We dream a world (all)**

A rainbow world

A world where we can try and taste and touch new things

A world lush and vibrant with opportunities for all

**We dream a world (all)**

The rainbow world our baptism calls us to

As we work for peace and justice

As we love ourselves and those around us

**We dream a world (all)**

The world of our baptismal covenant

The world of our promises to God and to one another

To live in community with all of you

To live a certain way

seeking and serving Christ in those we meet

letting others live their way

loving our neighbors as ourselves

respecting the dignity of all

**We can't do this by ourselves (all)**

We need the help of God

We need the help of all of you

**Live with us into our dream (all)**

Our dream of a rainbow world  
The dream of our baptismal covenant.
